

Great Chanukah Gift!

Not sure what to give your loved ones for Chanukah?

Permit me to recommend my book ***With All Your Might – The Torah of Eretz Yisrael in the Weekly Parashah*** as an appropriate gift for Chanukah.

The two volume set embodies the Maccabian spirit of love of Torah, Eretz Yisrael and national independence as they are evident in the weekly readings of the parshiot.

In the USA, the set can be ordered from Amazon [☒](#) or from many Jewish book stores. In Israel they can be obtained from local book stores or from me.

Respectfully,
Nachman Kahana
