

WhatsApp Group Privacy Report

We value your privacy.

Because we value your privacy, membership in the Rabbi N Kahana Parasha WhatsApp group requires that members agree to the following rules:

- I will not collect contact information of other users in the group.
- I will not violate the privacy of members of this group.
- I will not contact any of this group's members for any purpose (e.g., solicitation, harassment, etc.), unless that person is known to me outside of this group and has agreed to be contacted by me.

If someone has violated the rules and contacted you against your wishes, please use this form to report the violation.

Violators will be removed and banned from future participation in the group.
